

## Biggest vs Smallest

Size Comparison Worksheet. Write "B" for the biggest & "S" for the smallest.

Row 1: A banana, a cherry, and a slice of watermelon. Each fruit has a small blue square box below it for an answer.

Row 2: A red apple, a yellow pear, and a green apple. Each fruit has a small blue square box below it for an answer.

Row 3: A cartoon orange with a face, a large green pear, and a strawberry. Each fruit has a small blue square box below it for an answer.
